

From the Comox Valley Healthcare Foundation Board and staff, we would like to extend our warmest wishes for a wonderful holiday season and a healthy 2024 ahead.

As donations arrive by mail, phone, in person and online, we are truly humbled by your kindness and compassion. Because of your support, we can continue to make a positive impact on the lives of countless individuals and their families. Thank you.

This year we have been fundraising for our Medical Imaging department and the response from our community has been truly incredible. We cannot express our gratitude enough! We are looking forward to sharing more about this fundraising and the impact of your donations in the New Year.

We have seen the full breadth of our local healthcare mandate supported this past year. Generous contributions were made towards many areas of acute care at the hospital, community healthcare, and long-term care to dedicated funding for equipment, special training, and comfort items.

It has also been so heartwarming to see the impact from gift-in-kind donations. From donations of new stuffed animals and toys hand-picked from community members to give

children while they are at the hospital, to the joy on the faces of seniors in long-term care upon receiving a holiday stocking.

The impact that your gifts have had on healthcare in the Comox Valley is incredible and inspiring!

There is still time to make a donation and receive a 2023 tax receipt. Donations can be made online for year-end giving or sent by mail and postmarked by December 31 to be eligible for a 2023 tax receipt. If you have any questions about your charitable tax receipt or any other matter, please do not hesitate to contact our office.

Warm wishes to you and yours!

HOLIDAY OFFICE HOURS

Our office will be closed on December 25th and 26th, then re-open from the 27th to the 29th.

In the new year, we will re-open on January 2nd.

We are looking forward to 2024 and, alongside you and our healthcare teams, ensuring the best possible care is available here in our community.
